**\*By placing your signature on this document, you are bound by the contract agreements listed above and on the Health Agreement along with a reminder of the following:**

1. Your deposit is **non-refundable**; these funds go to support our parents food and monthly flea/tick and heartguard treatments and any other medical situations that may arise..
2. Should you not get your puppy selection, you will be offered , if available, another choice from that litter, or you will get priority on your selected Mother's next heat cycle. If there is availability on the next litter, I go according to deposits received. You may move your deposit to a future litter in emergency only.
3. Understand, Mother Nature plays a significant role in: Mating, Birthing, # of puppies and color/sex.
