Thank you for your **non-refundable deposit** of \$500.00 on your new Doberman Pinscher puppy. Your balance after deposit will be due in two installments of \$2,500.00 each at Week 4 and week 7 **from date of birth**.

Price Includes: Ear Cropping, Tail docking, dew claws removed, 1st round of puppy shots from my vet, AKC Paperwork, AKC Reunite Microchip inserted, Florida State Health Certificate and a 1 year Health Guarantee.

Ear Croppings are normally scheduled on Wednesdays and Thursdays in week 8 with 4 Paws Animal Hospital or All About Pets Animal Hospital in Seffner, their schedule permitting, if not we will get the first available appointments. Your puppy will stay overnight and be ready to pick up the next day anytime after 12:00pm from Doberman & Company. Prior to cropping we will select a crop style you want for your new puppy.

Please initial you have read and acknowledge the following inclusions to your deposit agreement listed below:
Initial here _____

*By placing your signature on this document, you are bound by the contract agreements listed above and on the Health Agreement along with a reminder of the following:

1. Your deposit is **non-refundable**; these funds go to support our parents food and monthly flea/tick and heartguard treatments and any other medical situations that may arise..
2. Should you not get your puppy selection, you will be offered , if available, another choice from that litter, or you will get priority on your selected Mother's next heat cycle. If there is availability on the next litter, I go according to deposits received. You may move your deposit to a future litter in emergency only.
3. Understand, Mother Nature plays a significant role in: Mating, Birthing, # of puppies and color/sex.
